Collection of your Personal Information

The EFGC collects personally identifiable information, such as your e-mail address, name, home or work address or telephone number. The EFGC also collects anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by The EFGC. This information can include: your IP address, browser type, domain names, access times and referring Web site addresses. This information is used by The EFGC for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the The EFGC website.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through The EFGC public message boards, this information may be collected and used by others. Note: The EFGC does not read any of your private online communications.

The EFGC encourages you to review the privacy statements of Web sites you choose to link to from The EFGC so that you can understand how those websites collect, use and share your information. The EFGC is not responsible for the privacy statements or other content on websites outside of the The EFGC and The Exceptional Foundation family of websites.

Use of your Personal Information

The EFGC collects and uses your personal information to operate the The EFGC website and deliver the services you have requested. The EFGC also uses your personally identifiable information to inform you of other products or services available from The EFGC and its affiliates. The EFGC may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

The EFGC does not sell, rent or lease its customer lists to third parties. The EFGC may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, The EFGC may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to The EFGC, and they are required to maintain the confidentiality of your information.

The EFGC does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

The EFGC keeps track of the Web sites and pages our customers visit within The EFGC, in order to determine what The EFGC services are the most popular. This data is used to deliver customized content and advertising within The EFGC to customers whose behavior indicates that they are interested in a particular subject area.

The EFGC websites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on The EFGC or the site; (b) protect and defend the rights or property of The EFGC; and, (c) act under exigent circumstances to protect the personal safety of users of The EFGC, or the public.

Use of Cookies

The The EFGC website use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize The EFGC pages, or register with The EFGC site or services, a cookie helps The EFGC to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same The EFGC website, the information you previously provided can be retrieved, so you can easily use the The EFGC features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the The EFGC services or websites you visit.

Security of your Personal Information

The EFGC secures your personal information from unauthorized access, use or disclosure. The EFGC secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement

The EFGC will occasionally update this Statement of Privacy to reflect company and customer feedback. The EFGC encourages you to periodically review this Statement to be informed of how The EFGC is protecting your information.
